

DRUG RESEARCH ACADEMY

SYMPOSIUM

Opioid Genetics

29 February, 2016, 11:00 – 16:30

University of Copenhagen, Faculty of Health and Medical Sciences, PharmaSchool,
Universitetsparken 2, 2100 Copenhagen Ø, Benzon Auditorium

| | |
|--------------|---|
| 10:30–11:00 | Registration - coffee/tee |
| 11:00-11:15 | Welcome Lona Christrup, University of Copenhagen |
| 11:15-11:45 | Opioid Genetics- Role of Ethnicity Andrew Somogyi, Professor, University of Adelaide, Australia |
| 12:00-12:20 | Organic Cation Transporters and Opioid Genetics Tore Bjerregaard Stage, PhD, University of Southern Denmark, Denmark |
| 12:20-12:40 | Pain sensitivity and analgesia are associated with genetic variation Lecia Møller Nielsen, PhD student, University of Copenhagen and Aalborg University Hospital, Denmark |
| 12:40– 13:00 | To be advised |
| 13:00-13:30 | Sandwich lunch |
| 13:30-14:15 | When opioids are not used as analgesics: The pharmacogenetics of sudden death in addicts Kim Brøsen, Professor, University of Southern Denmark, Denmark |
| 14:15-15:00 | Computational approaches to opioid pharmacogenomics Jörn Lötsch, Professor, University of Frankfurt, Germany |
| 15:00-15:30 | Coffee break |
| 15:30-16:15 | Genetic findings related to pain and analgesics – why are they so inconsistent? Pål Klepstad, Professor Norwegian University of Science and Technology, Norway |
| 16:15-16:30 | Conclusions |
| 16:30– | Snacks and drinks |

The symposium is organized on behalf of the graduate programme in pharmaceutical sciences, Drug Research Academy, by Lona Christrup, Professor, Drug Design and Pharmacology, Faculty of Health and Medical Sciences, University of Copenhagen and Anne Estrup Olesen, Affiliated Associate Professor in Pharmacotherapy, Faculty of Health and Medical Sciences, University of Copenhagen.

Participation is free of charge and open for attendance by all interested parties, but please register to Lona Christrup (llc@sund.ku.dk) before February 25th 2 pm
